FIG. 5

This diagram shows an exploded perspective view of a mechanical assembly. The components are labeled with reference numerals:

- 120**: Screws used for assembly.
- 114b**: A bracket or support structure.
- 138**: A component, possibly a spring or a small plate, located within the bracket.
- 161**: A small gear or pinion.
- 162**: A flat rectangular plate.
- 157**: A shaft or axle.
- 156**: A small gear or pinion mounted on the shaft.
- 155**: A small cylindrical component, possibly a bush or spacer.
- 154**: A small gear or pinion.
- 152**: A small gear or pinion.
- 150**: A large gear or flywheel.
- 132**: A component, possibly a spring or a small plate, located at the bottom left.
- 114a**: A base or support structure.
- 136**: A component, possibly a spring or a small plate, located at the bottom center.
- 134**: A small gear or pinion.
- 142**: A small gear or pinion.
- 130**: A small gear or pinion.
- 140**: A small gear or pinion.
- 144**: A large gear or flywheel.
- 25**: A small component, possibly a spring or a small plate, located at the top center.
